

LIGHT BOX

EXPRESSIONS OF HOPE *from* YOUNG WOMEN *in the* KIBERA SLUM OF NAIROBI

LightBox is comprised entirely of photographs taken by the teenage members of The Binti Pamoja Center in Nairobi, Kenya, and essays they have written about their lives. Their expressions offer a candid look at the lives of young women in poverty. *LightBox* demonstrates the value of empowering a young woman and celebrates their hope and perseverance, despite tremendous obstacles.

The Binti Pamoja Center is a reproductive health and women's rights program for teenage girls and a program of Carolina for Kibera.

100% of proceeds from *LightBox* support The Binti Pamoja Center Scholarship Fund, which helps Binti Pamoja members attend high school. *LightBox* was funded by The Fledgling Fund. For more information, please visit www.thefledglingfund.org.
